The Commission's purpose is to define the needs of and advocate on behalf of Washtenaw County seniors 60 years of age and older to promote equitable well-being and quality of life opportunities and outcomes. This will include providing recommendations to the Washtenaw County Board of Commissioners and relevant stakeholders on the prudent spending of public funds related to senior services.

Presentations that the Commission may hear at future meetings: How to use the Opportunity Index Tool, Socialization, Highlights of Past Learning, End of Life Planning
